

Dimitris Mantzanas

Cover letter by Dimitris Mantzanas, about my Total Report/Proposal to UN.

The cover letter:

This cover letter is regarded as one of my own Total Report/Proposals concerning the enormous cosmic event of my creation in June 1974 by Mother Nature's entire gene chain, my subsequent birth on 14 February 1975, and my existence, the purpose(es) and the destination of my creation and of my life. And of course, as my creation was cosmic event, as and this is about the entire Earth and the purpose(es) and destination of my creation and my life is about the entire planet Earth, Now I am not an infant, I am fifty years old, so I represent myself my purpose(es) and destination and my plans alone and only me can do that and no one else, and I can to addressing only to Earth's planetary organization the UN. My Total Report/Proposals to UN consists of (3) three parts and the three parts based on data, as much data, me alone could through the internet to be find. And the three parts are based on (3) three respectively videos of the Professor of physics in new york university Michio Kaku.

-The first part is called: Michio Kaku on Aliens Brains.

-The second part is called: Michio Kaku, why 10% of UFO sightings remain unexplained.

-And the third part is called: Professor Michio Kaku & Ross Coulthart Interview.

These three parts constitute one Total Report my own Total Report/Proposals about the whole issue, to UN organization.

** This cover letter consists of (1) one page*

Note: Supplementary add as part of my document Total Report/Proposal to UN, my document My Report-Request for to be given the name "Saladin" to a "mighty humans" UN Blue Helmet Inter-Planetary forces Division and to be named as "Division Saladin" (the supplementary document attached and to my supplementary accuser testimony about the ABM E2024 1752 my own submitted lawsuit)
