Message by Dimitris Mantzanas

To president of European parliament Roberta Metsola

To make you known my own personal website that I made yesterday public on the internet (www.dimitris-mantzanas-mightyhuman.info), and to ask from you the european parliament to send me copies of what papers all these years from 1974-1975 the usa and the rest of ukusa agreement states and the greek state they have sent to you about the whole issue, you to send me copies of what papers you the european parliament yourselves have wrote about the whole issue, and to send me writing in papers what all the usa and the rest of ukusa agreement states and the greek state verbal all these years have said to you about the whole issue.
